

Troop 29 Conduct and Discipline Policy

Guide to Safe Scouting:

Troop 29 follows BSA rules and policies in the *Guide to Safe Scouting*, available online at: <http://www.scouting.org/HealthandSafety/GSS/toc.aspx>. This *Troop 29 Conduct and Discipline Policy* is designed to further clarify conduct and discipline at the troop level.

Scout Conduct:

Good behavior is essential to any program and will be strongly supported by Troop 29's youth leaders (scouts) and adult leaders (Scouters). Good behavior is a primary element of showing Scout Spirit, and is a requirement for advancement. The troop's level of authority is as follows:

Troop Committee
Scoutmaster, Assistant Scoutmaster
Senior Patrol Leader (SPL)
Assistant Senior Patrol Leader (ASPL)
Patrol Leader (PL)
Assistant Patrol Leader (APL)

In each instance, the Scoutmaster, Assistant Scoutmaster, or any adult will have the final authority. The purpose of the authority structure is not to remove authority from the scouts, but to augment and uphold their responsibility. It is not to be construed as bossing other Scouts around or making some Scouts do more than their fair share. However, fellow Scouts must recognize this structure and be willing to participate and assist others as requested.

Scouts will not participate in any activity that could be considered dangerous to their fellow Scout. These include but are not limited to hazing, harassing, abuse of fire or flammable materials, or abuse of sharp instruments.

Scouts will conduct themselves properly during all Troop 29 activities. If the behavior isn't allowed at school or church, it's not acceptable behavior. During all meetings and activities, when the Scout sign is held up, all Scouts and adults shall immediately cease talk and movement, and display the same sign.

The Scout Field Uniform (Class A) is to be worn at all Troop 29 events from September –May. From June – August Scouts may wear any BSA endorsed shirt (Class B). Field uniforms are also permitted during the summer. Scouts are required to wear their Field Uniform (Class A) while traveling to and from any event related to BSA. Scouts must wear their uniforms in a manner that will reflect credit upon themselves, the Troop, the Charter Organization, and BSA. This means: Clean, neat, tucked-in, buttoned, and with appropriate insignia.

During the patrol activity session of the troop meetings, Scouts will be with their assigned patrol unless given permission by their Patrol Leader to meet with the Scoutmaster, go to the restroom, etc. It is necessary for the Patrol Leader to know the whereabouts of his Scouts.

Visitors are always welcome to attend troop meetings; however, approval from the Scoutmaster or Assistant Scoutmasters is required one week prior to the meeting.

No Scout will leave the campsite without the permission of the Patrol Leader or his designate. Patrol Leaders will get permission from the Senior Patrol Leader in order to leave the area. Disciplinary

problems on campouts and activities will not be tolerated. Scouts who cannot behave themselves will be sent home.

Buddy System:

Scouts will follow BSA's Buddy System whenever appropriate. Examples include water activities, whenever a Scout is to go beyond visual range of a campsite, instances where Scouts are interacting with large groups of people not known by the troop, and whenever the Scoutmaster declares the Buddy System is in effect.

Discipline:

General: The approach to discipline in Scouting is simple and the doors of Scouting are always open to those who strive to follow the ideals of Scouting. Adherence to the *Troop 29 Conduct and Discipline Policy* is required to maintain safety, preclude property damage, and avoid disrupting other organizations activities.

Obedience: Obedience in Troop 29 means to follow the *Scout Oath* and the *Scout Law*. The *Oath* and *Law* make being a good citizen of the troop, camp, or community possible. Obedience to the Scout Law includes respect for Scout (youth) leaders and adult leaders and all members and guests of the troop. Respect for adult and Scout leadership is expected. Under NO circumstances will adult or Scout Leaders administer physical punishment for any reason. Hazing, of any type, will not be tolerated. Scouts or adults observing such activity will take immediate measures to stop such activity.

Enforcing Discipline:

1. Scout leaders, (SPL,ASPL,PL) are responsible for maintaining troop discipline.
2. Discipline in patrols will be handled by the Patrol Leaders. Patrol Leaders have the authority to ask any patrol member to shape up and/or leave a patrol meeting and report to the SPL (Senior Patrol Leader). An adult leader must be notified of actions taken.
3. When the Patrol Leader cannot handle the problem, he must obtain help from the Senior Patrol Leader. The Senior Patrol Leader has the authority to ask a Scout to leave the meeting area and report to the Scoutmaster.
4. When the Senior Patrol Leader cannot handle the problem, he must obtain the help of the Scoutmaster.
5. When the Scoutmaster determines that a Scout requires discipline, the following actions are taken:
 - a. **First Instance** – Conference with the Scoutmaster or Assistant Scoutmaster. All such conferences should be attended by an appropriate Boy Scout Leader and by another adult leader.
 - b. **Second Instance** – Conference with the Scoutmaster and a phone call to parents explaining the problem and stating that one more complaint may result in suspension for a period of time established by the severity of the offence. A written explanation of the offense will also be prepared to back-up the phone call. One copy will be given to the parents, another to the Troop Committee Chair (in case further action is necessary). Parents may be requested to attend meetings to help supervise their Scout. The Scout may be assigned to appear before a board of Committee members or the PLC as a lesser disciplinary action prior to suspension from troop activities.
 - c. **Third Instance** – Conference with the Scoutmaster, Committee Chair, and parents. Based on the Scoutmaster's recommendation, the Scout may be suspended from all Troop activities for a period of time as established by the Scoutmaster.
 - d. **Fourth Instance** – The issue is referred to the full Troop Committee by the Scoutmaster and Committee Chair with a recommendation of action and the circumstances for the referral.

The Troop Committee may proceed immediately with any level of discipline without conducting previous lower levels of discipline, if the Committee deems the severity of the circumstances warrant such action.

6. The above steps are not meant to discourage either the Patrol Leader or Senior Patrol leader from seeking advice from the Scoutmaster or any adult leader when they are having leadership challenges, but are intended to state discipline options in advance.
7. In extreme cases, a Scout may be recommended for dismissal from the Troop. This action means that only by agreement from the Troop Committee will the Scout be permitted to return to the troop. Dismissal will only be carried out by the Troop Committee. In the case of a dismissal, a letter to the Scout's parents will be sent outlining the reasons for the dismissal and the alternatives for returning to the troop.
8. If a Scout is disruptive during any event (meeting, camping trip, day trip, etc.) and it is determined by the adult leader of the event that the Scout's continued presence will continue to be disruptive, the parents of the scout will be called (anytime; day or night) to come and get the Scout.
9. If a Scout feels he has been subjected to inappropriate discipline by another scout, he may seek help from the Senior Patrol Leader. A Scout who feels that he has been subjected to inappropriate discipline by the Senior Patrol Leader may seek help from the Scoutmaster, and a Scout who feels that he has been subjected to inappropriate discipline by the Scoutmaster may seek help from the Troop Committee Chair.

Drugs, Alcohol, and Tobacco:

No Scout shall use, possess, and/or distribute tobacco or any controlled substance (drugs and alcohol). Parents of a Scout found to have used, possessed, or distributed a controlled substance at a Scouting function will be subject to immediate disciplinary action. Parents of Scouts required to take prescription medication over the period of a troop event are required to present the medications required during the event to the Activity coordinator along with a troop medication form indicating medication type, dose, frequency and emergency contact information prior to any Scout leaving with the Troop on an event. Serious medical requirements may require a parent to attend an event and administer medication.

Fighting:

Troop 29 has a zero tolerance policy for fighting. Fighting is not permitted and is grounds for immediate disciplinary action. Parents will be called and asked to take their Scout home.

Language and Respect:

Foul language, swearing, cursing and abusive/suggestive/offensive gestures are not in keeping with the ideals of Scouting and will not be allowed. A Scout is *Reverent, Courteous, and Clean*.

Disrespectful language to any Scout or to any adult is not allowed.

Adult Leader Conduct:

Adult leaders shall exhibit the ideals of Scouting when working with the boys. They will strive to set a good example in their handling of all situations. Standards of conduct in personal habits, language, hygiene, and interaction with Scouts will be in accordance with the Scout Oath and the Scout Law. The Committee Chair is responsible for the conduct of adult leaders. Conduct befitting a Scout is expected of adult participants as well, especially in regards to the Do's and Don'ts.
